FOR IMMEDIATE RELEASE**RED LEDGES NAMES GOLF PROFESSIONALS**

HEBER VALLEY, Utah (June 5, 2009) – Red Ledges, a private golf and four-season recreational community located in the Heber Valley, has hired Jon Paupore as Golf Head Professional and Courtney Goebel as Assistant Professional.

Paupore comes to Red Ledges from The Bear's Club in Jupiter, Florida, where he opened the Jack Nicklaus Performance Academy in September 2008. As a member of The Bear's Club team, Paupore successfully managed the club of 280 members and 13,000 rounds of golf annually and catered to players of all abilities, including many PGA Tour stars. In 2005, this same team was recognized by the PGA of America as the South Florida Section Merchandiser of the Year.

Goebel spent the last two years as a guest service professional at Hot Stix Golf in Scottsdale, Arizona, and then as a recognized assistant golf professional at the Southern Dunes Golf Club in Maricopa, Arizona.

“With Paupore’s polished experience and Goebel’s talent, we have two remarkable assets as we open our Jack Nicklaus Signature 18-hole golf course this July,” said Todd Cates, Red Ledges vice president. “We are pleased with the expertise that exists among our golf team and are confident that our members will have a tremendous experience as they golf at Red Ledges.”

With the strength of the team’s teaching abilities, Red Ledges has the expertise needed to offer a variety of programs. Red Ledges will specifically provide opportunities for women and junior golf to help build upon the fundamentals of golf and to foster a complete understanding of all aspects of the game. As the head golf professional, Paupore will lead with his teaching philosophy that was developed to accentuate a ground-up approach based on the swing theories of Jack Nicklaus.

“By understanding each student’s tendencies and habits regarding balance, posture and alignment, we can compose the swing to allow the golf club to travel along a proper swing path in order to move the ball down the desired target line,” Paupore said. “We want to teach the student to study the ball flight in order to eventually become their own coach. If we can enable self-confidence and self-reliance, the student will continue learning and improving long after formal lessons.”

About Red Ledges

Red Ledges is a premier recreational mountain community in Heber Valley, Utah, which will encompass approximately 1,200 homes across nearly 2,000 acres, and host such amenities as an 18-hole Jack Nicklaus Signature Golf Course and a Nicklaus Design nine-hole short course; a Jim McLean Golf School; a Cliff Drysdale Tennis Academy; a premier spa and fitness facility; an equestrian center with indoor and outdoor facilities; and more.
